PLANNING NOTES

These are product sizes, not a fireplace-opening size. Check your fireplace opening before you order.
This is the Model 700 coal gas grate. It is 650 wide.
Vent free: this is a flueless gas grate. Close off the chimney opening of an existing fireplace.
Room volume: 97 m³ minimum, 398 m³ maximum. Maximum gas consumption: 0.64 kg/hr.
Powder coated steel. An access door gives you the control knob. Mass: 13 kg.
LPG and natural gas versions are available.
