PLANNING NOTES

These are product sizes. Ask us for the oven width before you build a counter or a base.
The oven weighs 75 kg. The 650 chamber and the 400 wide opening take one large or two regular pizzas.
The door, the standard stainless-steel chimney, a pizza lifter and a coal rake come with the oven.
The mobile stand (30 kg) and the slide-out table are optional. Ask us for the stand sizes.
Lock the stand wheels before you fit the chimney or use the slide-out table.
