PLANNING NOTES

These are product dimensions, not a recess size. It is made for a suitable outdoor counter.
750 is the model name. The body is 740 wide: use the body size when you plan the support.
Plan the support and the working space around the braai before you build.
Included: the tabletop braai body, a 690 × 420 cooking grid and a removable coal tray.
A charcoal starter is not included.
