PLANNING NOTES

These are product sizes. The recess for the grill must be at least 760 wide.
Have a registered gas installer check the opening, the air flow and the clearances before you install it.
Surrounds must be heat resistant and non-flammable, with suitable air flow.
A cooking grid and a flat dust cover are included. A dome, with or without a rotisserie, is optional.
Ask us to confirm the gas type before you order: LPG, or Natural Gas on request.
