02 SIDE VIEW

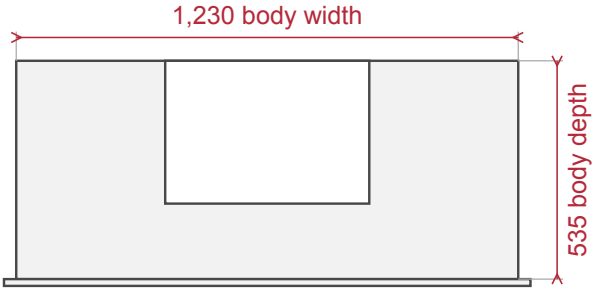

Front at the right. Lower door open.

03 COOKING GRID

Ask us for the grid depth before you order a new grid.

04 TOP VIEW

Front at the bottom. White: the gather outlet.

PLANNING NOTES

These are product sizes, not a building-opening size. Ask us for the opening size before you build.
Leave a 20 mm expansion gap at the sides and back.
The minimum chimney height is 2,500 mm.
The lower door opens 455 in front of the body: keep this space clear.
It is made for a built-in installation, indoors or outdoors.
Included: top and bottom doors, a grid and grid lifters, an ember maker, an ash pan and ash drawer.
Also included: a potjie holder, a poker, a light fitting, insulation material and touch-up paint.
The flue pipe, the collar and the cowl are options and are sold separately.
