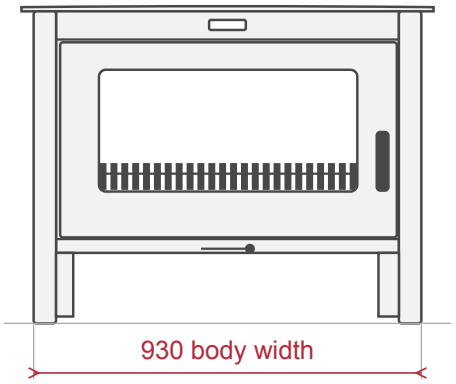
ALL SIZES IN MILLIMETRES

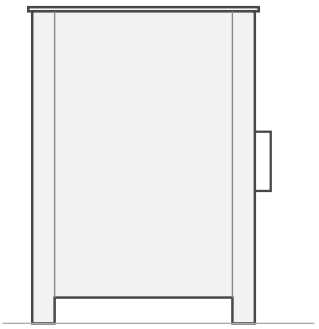
Jetmaster Vega Freestanding Stove

Freestanding slow-combustion stove for wood or charcoal: mild steel, with a glass door

01 FRONT VIEW

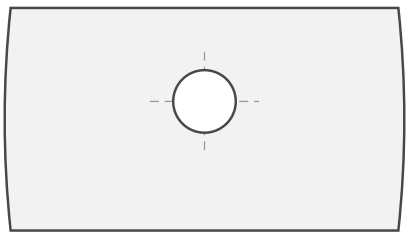


02 SIDE VIEW



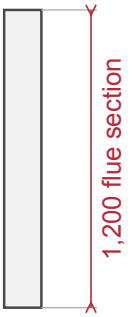
Front at the right.

03 TOP VIEW



Front at the bottom. Round flue outlet on top.

04 FLUE SECTION, AN OPTION (SMALLER SCALE)



The flue comes in separate sections. Ask us for the flue size before you choose the flue pipe and the cowl. Send us a photo and measurements for a flue quote.

PLANNING NOTES

These are product sizes. Ask us for the depth and the height before you plan the hearth.
Your installer checks the actual unit, the hearth and the safe clearances.
It burns wood or charcoal.
Included: the stove with vermiculite inner boards, a cast grid and a removable ash pan, a poker and the installation manual.
The flue pipe and the cowl are options on this page. Building work and installation are not included.
