PLANNING NOTES

These are product sizes, not a fireplace-opening size. Check your fireplace opening before you order.
This is the Model 600 coal gas grate. It is 550 wide.
Vent free: this is a flueless gas grate. Close off the chimney opening of an existing fireplace.
Room volume: 92 m³ minimum, 344 m³ maximum. Maximum gas consumption: 0.56 kg/hr.
Powder coated steel. An access door gives you the control knob. Mass: 11 kg.
LPG and natural gas versions are available.
