Jetmaster 700 Hybrid Entertainer Built-in Braai

03 COOKING GRID

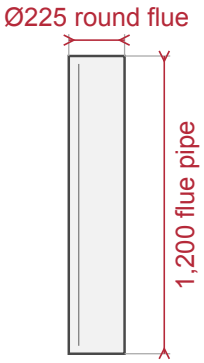

04 TOP VIEW

Front at the bottom. White: the round flue outlet.

05 FLUE PIPE, SOLD SEPARATELY (SMALLER SCALE)

One flue pipe is 1,200 long, but that is not the chimney height.
Ask us to confirm the right flue parts before you order.

PLANNING NOTES

These are product sizes, not a building-opening size. Ask us for the opening size before you build.
The body is 684 high.
The door system has a prep table.
Included: a nickel-plated cooking grid, a charcoal tray, a potjie hook and a light fitting.
This model has no charcoal starter.
The flue pipe, the storm cowl, the flue bend and the insulation blanket are options and are sold separately.
