03 TOP VIEW

Front (door) at the bottom. Dashes: the cooking floor.

04 COOKING FLOOR

Door at the bottom.

PLANNING NOTES

These sizes are for the oven alone, and they are not a cut-out size. The oven weighs 75 kg.
Comes with the door, a stainless-steel chimney, a pizza lifter and a coal rake. The handles are removable.
The stand and the table are optional and are not shown.
The chimney is an 800 part. Ask us for the height with the chimney fitted and for the flue connection size.
Ask us for the door opening height: we confirm it with Al Fresco.
