01 FRONT VIEW (OVEN)

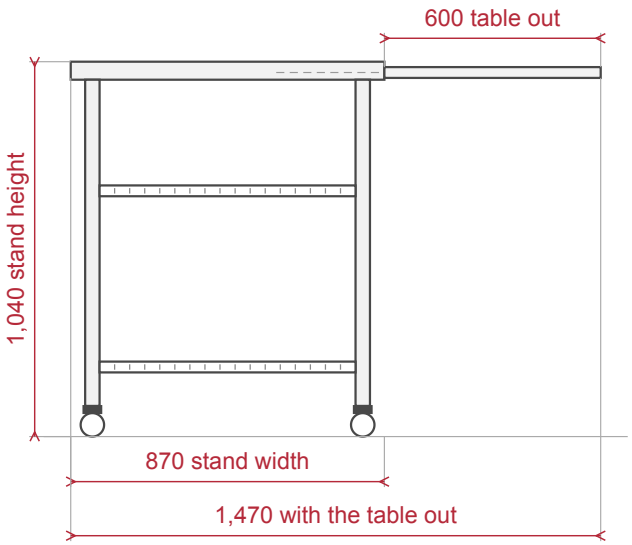

02 TOP VIEW (OVEN)

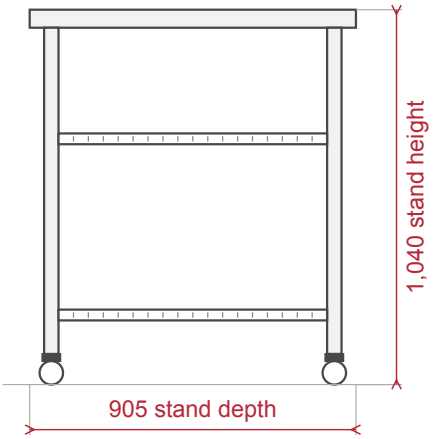

Front (door) at the bottom.

03 OPTIONAL STAND, FRONT VIEW

04 OPTIONAL STAND, SIDE VIEW

Oven not shown on the stand.

PLANNING NOTES

The oven weighs 75 kg. It can sit on a strong non-combustible counter or on the optional stand.
The 650 chamber and the 400 wide opening take one large or two regular pizzas.
Plan the chimney route, the access and the space for heat before you order.
The table slides out under the stand top. Do not lean on it or load it with heavy items.
