Jetmaster 1000 Entertainer Stainless Steel 304

Built-in braai, coastal grade: charcoal tray, charcoal starter and a door with a prep table

01 FRONT VIEW

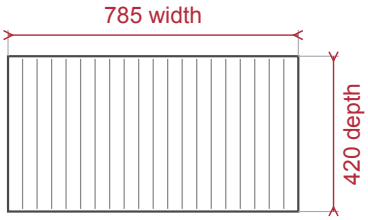

02 SIDE VIEW

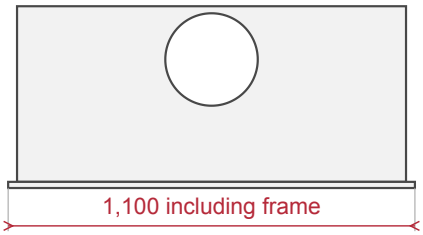

Front at the right. Door open as a prep table.

03 COOKING GRID

04 TOP VIEW

Front at the bottom. White: the round flue outlet.

05 FLUE SECTION, SOLD SEPARATELY (SMALLER SCALE)

The main unit comes without a cowl.
The flue system and the insulation are add-ons.
It takes a 250 round flue.

PLANNING NOTES

These are product sizes, not a building-opening size. Ask us for the opening size before you build.
The body is 1,052 wide, 475 deep and 708 high, and the gather adds 308.
The firebox chamber and the smoke gather are 304 grade stainless steel. The door slides in and opens as a prep table.
Included: a nickel-plated grid, a charcoal tray and a charcoal starter.
Also included: a swivel arm with a potjie hook and a light fitting.
