PLANNING NOTES

These are product sizes, not a building-opening size. Ask us for the opening size before you build.
Ask us for the size with the ember drawer and the drip tray pulled out before you plan the space.
For domestic use only. A registered gas installer must do the installation.
For outdoor use, or an area where natural ventilation cannot be restricted.
The support and the surrounds must resist heat.
Included: the stainless-steel drip tray and dust cover.
The Hybrid Rotisserie Dome and the extraction system are optional accessories.
